And Your Entire Dental Team
in Supporting

 **Climb For A Cause** is a non-profit foundation that enlists dentists, dental team members, and their patients to bring urgently needed dental care and a healthy smile to children in need. Climb For A Cause combines the opportunity to enjoy the breathtaking beauty of the mountains with the desire to make a positive difference in peoples' lives. Some dentists get sponsored by friends and patients to climb mountains to support Climb For A Cause, others ask patients for small contributions in the office, and others host a party to raise funds to help children smile again.

 **We Can Make A Difference, Together!** All of us can help, and when thousands of dentists, team members and patients across the country each make a small commitment, great things happen. Here's how you can help...

 **You Can Help Right Now.** Please make a small contribution at the front desk to support Climb For A Cause and bring urgently needed care and a healthy smile to children in need. Just place your contribution (check or cash) in the fishbowl at the front desk. Your contribution is tax deductible to the fullest extent of the law.
